

**IN THE DRAWINGS:**

In the currently outstanding Official Action in the above-identified application the Examiner has objected to Figure 18 on the basis that since only that which is old is shown therein, it should be designated by a legend such as -- PRIOR ART --.

In response to the Examiner's objection, Applicant proposes that Figure 18 of the present application be amended so as to each include the legend -- PRIOR ART -- as circled in red on the attached photocopy thereof. Applicant also is submitting concurrently herewith a new sheet of the Formal Drawings for this application that contains Figure 18 wherein the above-proposed change has been made.

It is respectfully requested that the Examiner approve the foregoing proposed change to Figure 18, and that the new sheet of formal drawing submitted concurrently herewith that is labeled "Replacement Sheet" in the upper right margin be granted entry into this application in substitution for the originally filed sheet of formal drawing containing Fig. 18.
